222 Voortrekker Road,
Krugersdorp, 1739

Krugersdorp Animal Hospital was established by its founding members in 1942. The practice started out humbly, from an outbuilding attached to a well known pharmacy. Thereafter the premises shifted to Monument street in Krugersdorp CBD. The primary focus was care of domestic pet and livestock herd health. Through the years the practice grew from strength to strength and in 1996 a purpose built hospital was constructed at its current location of 222 Voortrekker Road. The practice's client base diversified to include wildlife
